# The 2022-23 Budget

Government announces establishment of Digital Economy Development Committee

The Committee will advise the Government on the development of the digital economy with a focus on the following:

- identifying key development trends, main drivers, key success factors and development initiatives;
- **setting** directions, strategies, focus areas, priorities and key performance indicators;
- **formulating** strategies and measures to enhance co-operation and co-ordination with key stakeholders;
- **driving** the growth of data services as an industry;
- **formulating** strategies and measures to encourage the adoption of digitalisation by different industries; and
- **promoting** digital government.
