DATA COLLABORATION

Many-to-Many

What we GIVE...

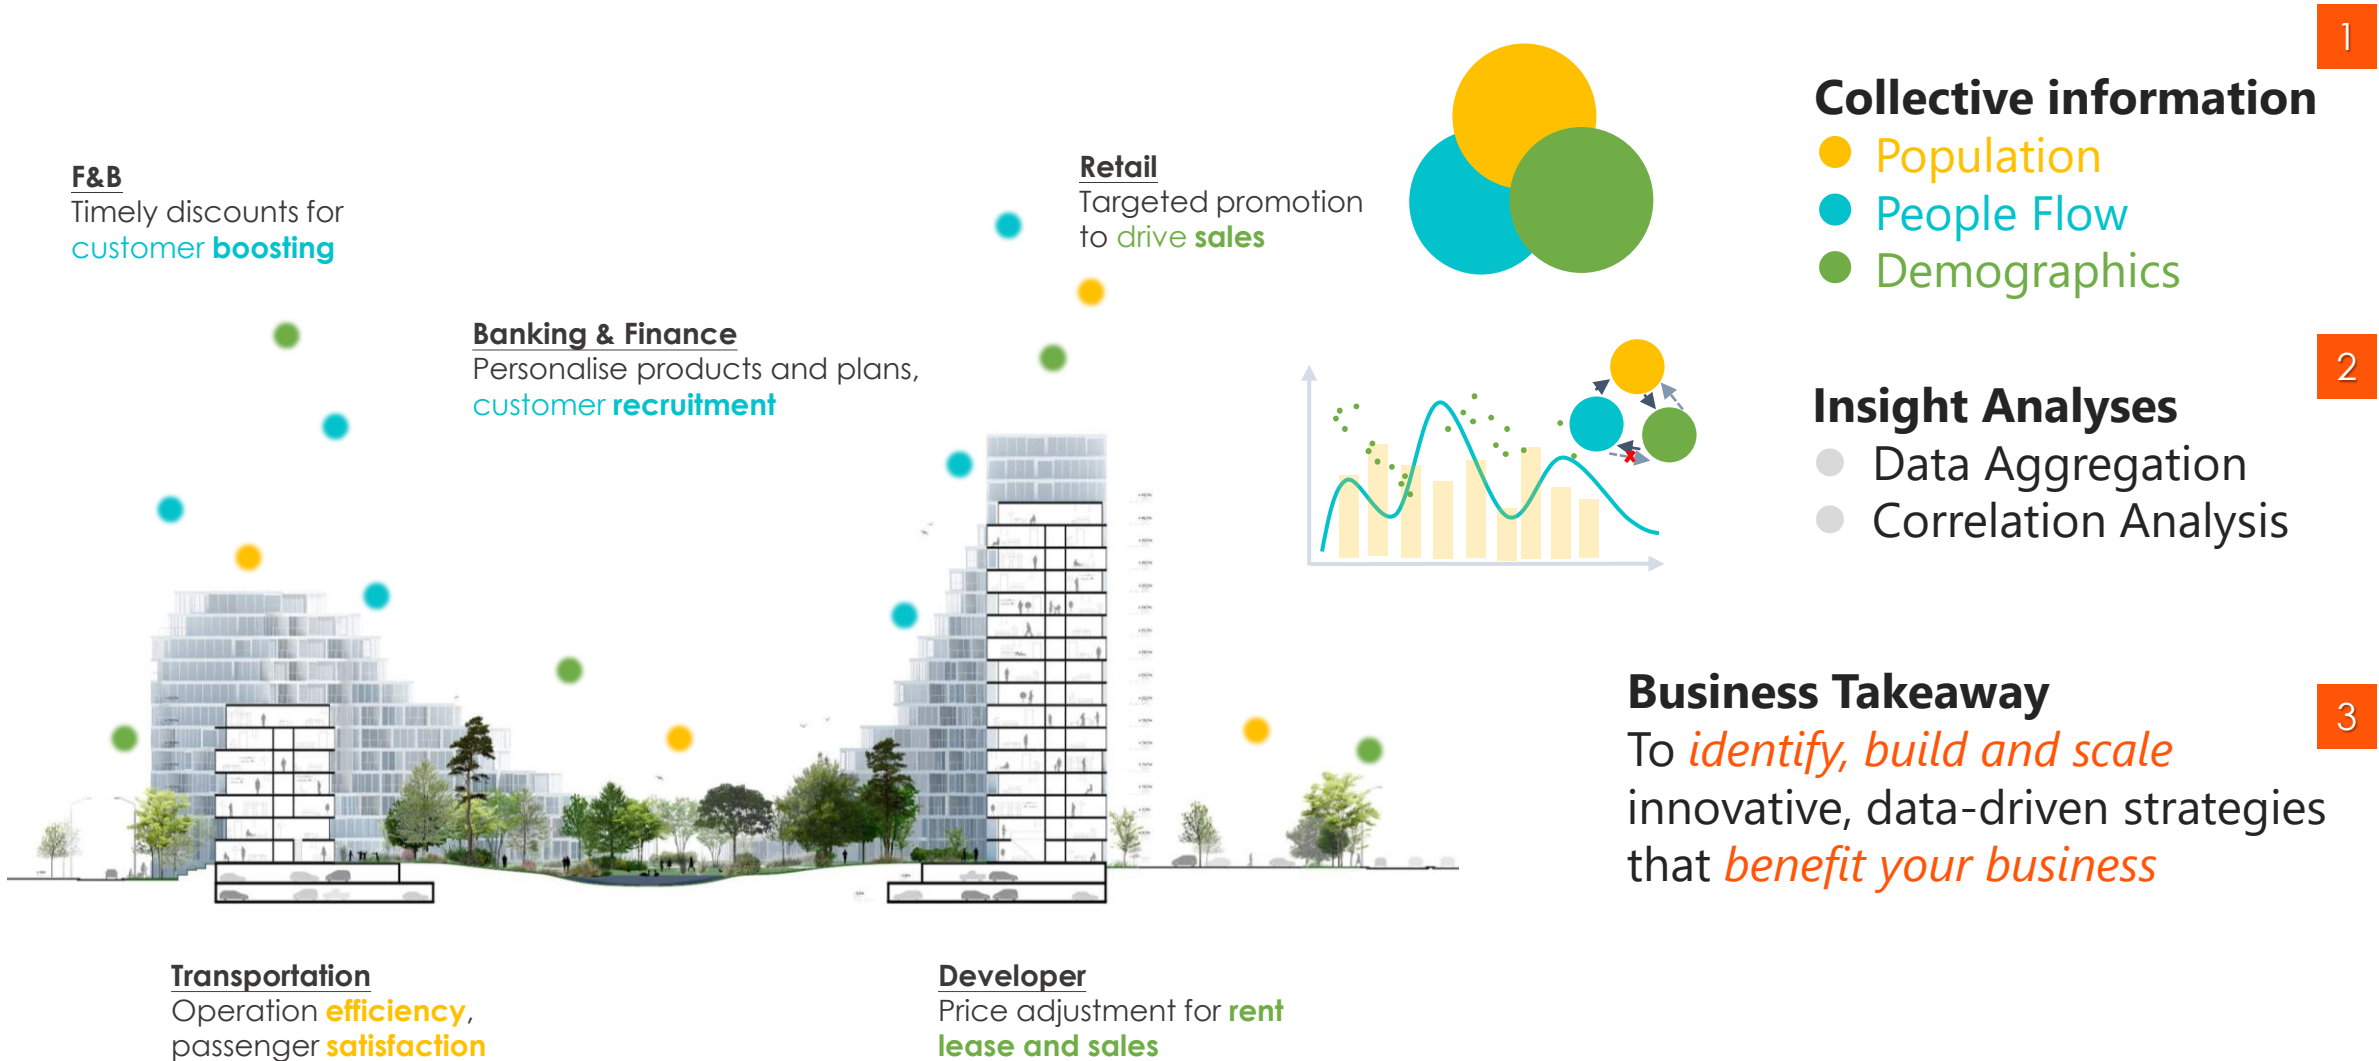

People Data

Data owners from cross industries will share information they hold related to the same subject matter – *people*.

- People count
- Travel direction
- Population density
- Duration of stay
- Peak times
- ...

What we Take

Privacy and Security should be the top priority

Hong Kong's first open federated learning network to go live – HKSTP FinTech Virtual Lab

Three of Hong Kong's top leading banks participated in this data collaboration project and shared experiences at FinTech Week Hong Kong 2021.

Data Collaboration between banks with Federated learning

A secure collaborative environment for multiple banks and multiple tech ventures to build intelligence for a best-fit solution.
 No data exchange, kept in bank premises | Customised data access control | Shared infra consumption

STP Platform

Let's Collaborate.
